

### Become an AAPT Member!

- Have access to a wealth of information and emerging technologies including free webinars
- Be an integral part of a technical community comprised of individuals from all parts of the asphalt industry (material suppliers, researchers, agency owners, consultants, and equipment manufacturers)
- Enjoy the camaraderie of colleagues in the field during annual meetings at attractive venues
- Be a part of lively debates on important technical issues
- Belong to a North American-based organization with significant international membership and focus
- Be a member of an association that operates without organizational biases; policies set by and for individual members by an elected Board.
- Support the next generation of asphalt technologists through a robust student scholarship program
